Dear Juanita,

Im not going to write a bunch of "blash" about you, Im just going to put the facts before you. Youre swell and so sweet, you make everyone like you and want to be with you again. Keep up the good work and remember everyone is behind you. Youre sweet now and it isnt possible to have you changed, so please, dear, stay just as you are and always will be.

I deem it a honor to write it your annual, but not as much of an honor as it has been knowing you.

Love,

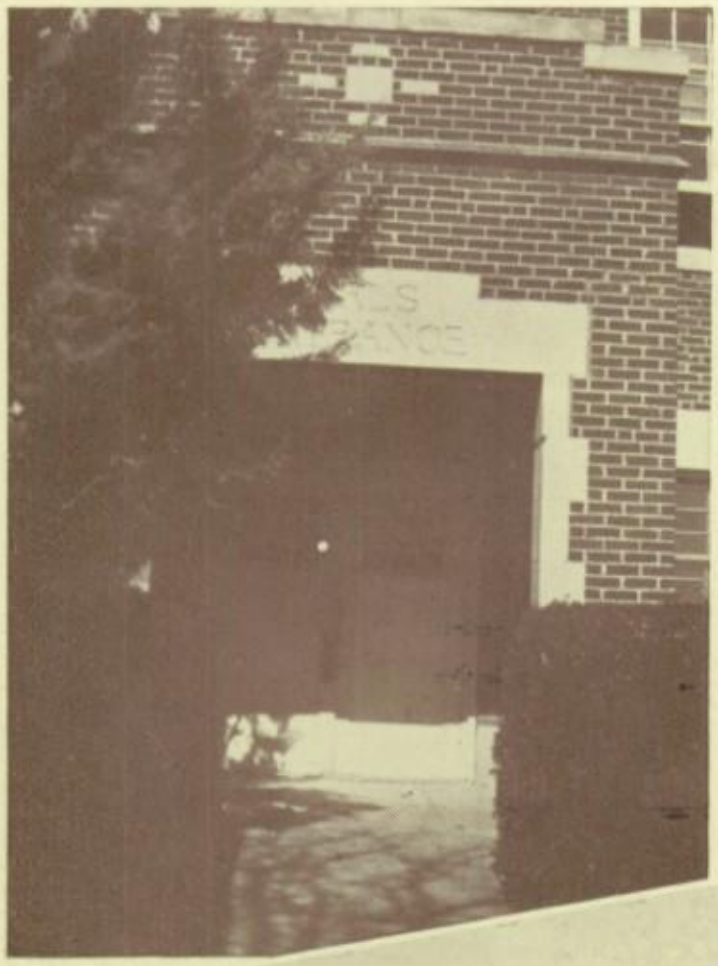
DEDICATION

Because our lives have been enriched through association with our fellow students and our teachers in the classrooms, in the halls, in our club activities, and on the athletic field, because we wish to perpetuate these relationships, and because we realize, as did the ancient philosopher, that he who has even one real friend is indeed rich, we dedicate this edition of *The Yellow Jacket* to our high-school friendships.



PREFACE

In compiling this yearbook, the sixth edition of *The Yellow Jacket*, it has been our purpose to portray as realisticly as possible the activities of Stephenville High School. We hope you like the book and that you get as much pleasure from reading it as we have from producing it.

Because the members of the Board of Education have been untiring in their work and unselfish in their devotion to a civic trust, Stephenville has been able to develop and maintain a school system of which it may well be proud. Because of their intelligent planning, a sound educational policy has been developed throughout the system; and because of their business ability, the school has been placed on a firm financial basis.

In behalf of the students of Stephenville High School, the Yellow Jacket Staff wishes to thank the members of the Board of Education for the hours they have given to working for the Stephenville Public School System.

On September 4, 1939, 140 lovable, but somewhat noisy sophomores enrolled in Stephenville High School. Taking some time to find out what High School was all about, they finally settled down and contributed much to their school. They were fortunate enough to draw Miss Hicks and Mr. King as their sponsors and Scotty Scott as their president. The most outstanding event of the year was the presentation of two one-act plays, "Twelve Old Maids," and "Henry's Mail Order Wife."

As Juniors they continued their good work in lessons, sports, and all school activities. Again Scotty was elected president. Luck being with them, they elected Eloise Hale, a member of the class, as School Sweetheart. After presenting a three-act comedy, "Mother-In-Law Blues," they were able to have a successful Junior-Senior Banquet.

Suddenly this fun-loving, noise-making bunch found themselves Seniors. Yes, they were even dignified and studious the night before exams. A member of this class, Bill Hicks, was elected as president of the student body. Again Eloise Hale was elected School Sweetheart, and Eugene Ferguson presided as president of the Senior class. On the football field and basketball court this class was well represented by A. V. Roberson, Scotty Scott, J. B. Garrett, Bill Hicks, Jim Whitacre, and Dudley Everett. Their last year was indeed full of fun and studying.

Looking back over their High School days, some happy, and some not so happy, they see they have accomplished much and carry with them many unforgetable memories; but Stephenville High will long remember the class of '42 for its outstanding students, its high ideals, its cooperative spirit, and yes, even its noise.

During September, 1940, not only 138 freshmen entered Senior High School but also their very admirable sponsor, Mrs. W. J. Murdaugh. These loud but intelligent sophomores proved to be diligent students and showed their acting ability by presenting, "The Phantom Bells," one of the most outstanding plays of the year.

In 1941 they re-entered Senior High School with the new and somewhat more important title of "Juniors." This past year has been filled with numerous activities; all of the students have worked diligently to provide means for the long-anticipated Junior-Senior Banquet. To prove they were a versatile class, they sponsored a book review, bingo stands, and the sale of wondergraphs and pep pins. Then these students presented their never-to-be-forgotten play "The Mummy and the Mumps." Toward the end of February they began planting a garden in which they raised part of the food to be used at the annual banquet. In athletic activities, as well as in other phases of school life, the Juniors shone. Eight Juniors—Ralph Hicks, Bluefford Hancock, Joe Day Pair, Quain Parnell, Ralph Poteet, Bud Higgs, Leon Roberts, and Bob Gore—were football lettermen; Weldon Moody and W. B. Stephens won the school letter in basketball. Charles Casstevens, one of the capable managers of the football team, was also a Junior.

The students of the class of '43 have enjoyed their association together; and although they are looking forward to their senior year with anticipation, their hearts are filled with regret when they remember that next year will be their last in Senior High School.

On September 8, 1941, ninety-four sophomores enrolled in Stephenville Senior High School. Of these, thirty-one entered the first grade in 1933; thirty-two graduated from Ward School in the same class; and fifty-eight graduated from Junior High School together.

On April 30, 1942, under the direction of the sponsor, Miss Lottie Hester, the class presented a farce in three acts entitled "Keeping Up Appearances." The cast of characters in the play consisted of Barbara Rothe, Mildred Hensarling, Emily Vaughan, Martha Jane Braunig, Joyce Roberts, Edwin Lee Burnett, Joe Dacus, and Robert Cameron.

The sophomore boys were active in all types of athletics. In football and basketball they worked hard for the privilege of playing on the team. It is unusual for a sophomore to letter in football; Robert Cameron did this. A number of sophomores had places on the Junior Track Team, which won second place in the Bluebonnet Relays at Brownwood. In this meet Robert Cameron won seven medals; Edwin Lee Burnett, three.

The sophomores are eagerly looking forward to the Junior and Senior years in High School. They expect to accomplish much and have fun doing it.

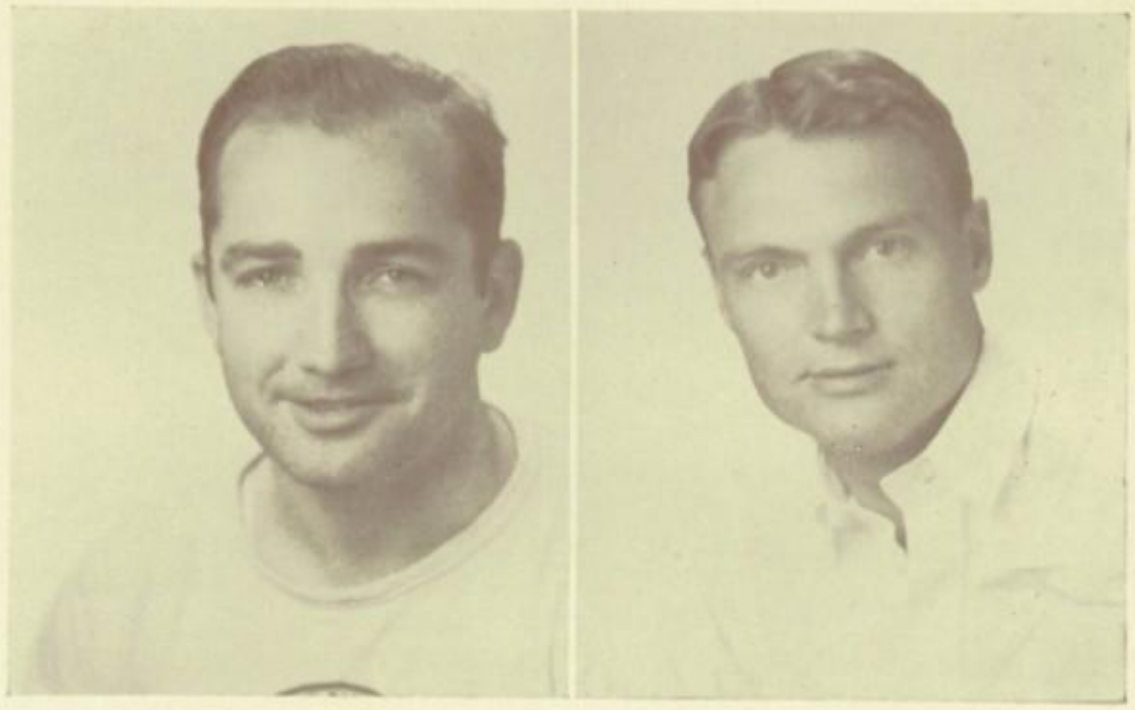
FOOTBALL



COACH MARSHALL

COACH RUSHING

Mr. Marshall developed a fighting, high-spirited team from a group of light, inexperienced boys. He helped to develop a spirit of sportsmanship throughout the school. His coaching brought out the best qualities in the boys and molded them into a team that worked together.

Mr. Rushing returned to Stephenville High School this year as assistant coach to the Yellow Jackets, the team on which he played during the 1931 and 1932 seasons. By his ability to coach as well as his ability to understand them, he won the respect and confidence of all the boys. His efficient work in scouting other games was a valuable asset to the team.

Back row: Coach Rushing, Billy Anderson, J. G. Snow, Gene Cowan, Jack Burkett, Roy Stanford, Harris McCollum, Charles Riggins, Jim Whitacre, Robert Cameron, Carl Dickerson, Joe Harrell, Albert Cragwall, Bob Gore, Edwin Lee Burnett, Glenn Dorris, Coach Marshall.

Front row: Charles Casstevens, Gene Ferguson, Bill Hicks, J. B. Garrett, Leon Roberts, Joe Day Pair, Ralph Hicks, Rufus Higgs, Quain Parnell, Ralph Poteet, Dudley Everett, A. V. Roberson, Scotty Scott, James Willingham.

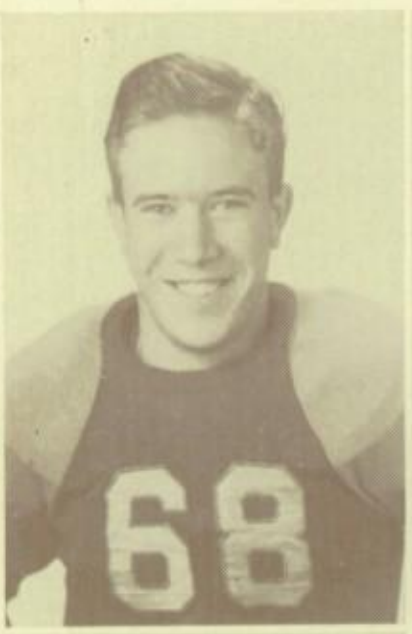
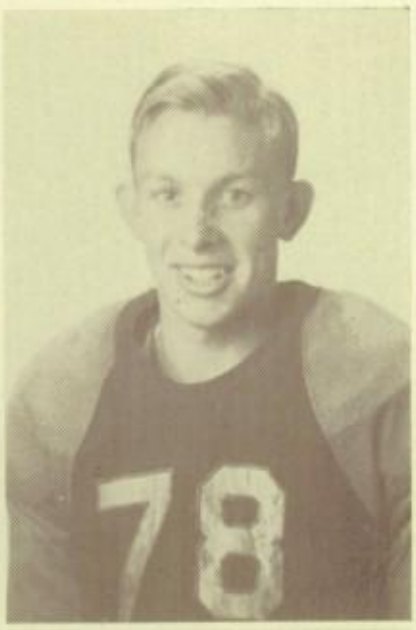
FOOTBALL



BILL HICKS

END

Bill's constant ability to snare passes and his good defense work earned him a position on the All-District team.



A. V. ROBERSON

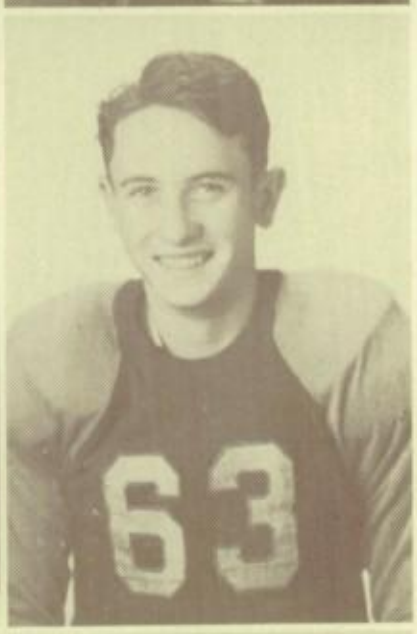
END

A. V., an able pass receiver and good blocker, really liked to "mow-'em-down" when the opponent started around his end.

SCOTTY SCOTT

BACK

Scotty was the biggest ground-gainer on the Jacket squad and was usually on the tossing end of the aerial attack.



BUD HIGGS

BACK

Bud was the pass-receiving wing-back of the Jacket squad. With his ability and hustle much is expected of him next season.

QUAIN PARNELL

CENTER

Quain played at both center and guard positions. He helped to keep the team in high spirits all season.

J. B. GARRETT

TACKLE

"Jugg" played steady offensive and defensive ball and carried his part of the load at all times.

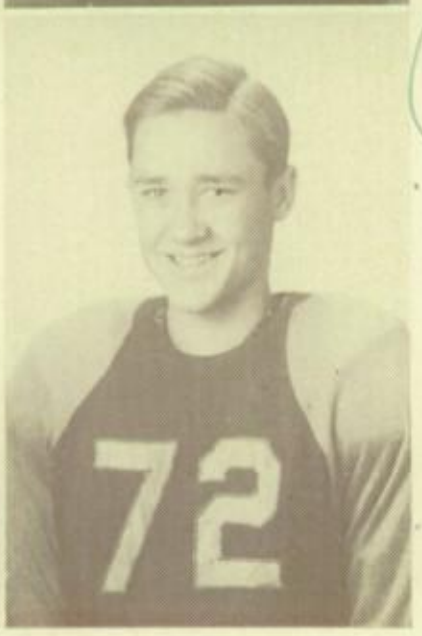
GUARD

"Bolivar" was always at the right place at the right time. He is a returning letterman around whom next year's team will be formed.



RALPH POTEET

BACK

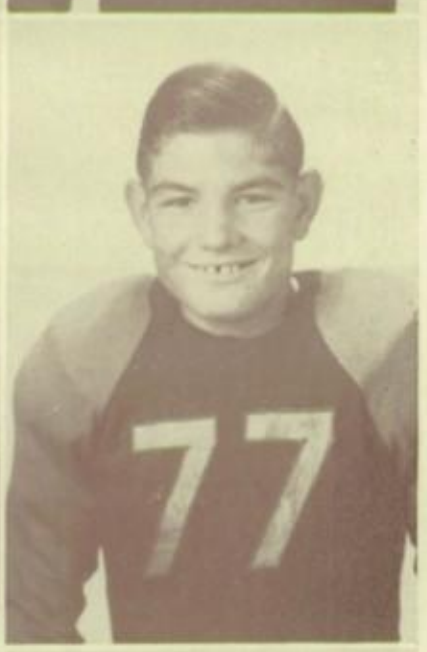
JOE DAY PAIR

BACK

He liked to play the game. With more weight and experience he can develop into an excellent back.



BLUEFFORD HANCOCK

CENTER

"Butch" was the hard-luck man of the Jacket squad. After receiving a broken leg in the third game, he was sorely missed the remainder of the season.

RALPH HICKS

GUARD

Although dogged by injuries during part of the season, Ralph showed signs of a real guard. Much is expected of him in the future.

BOB GORE

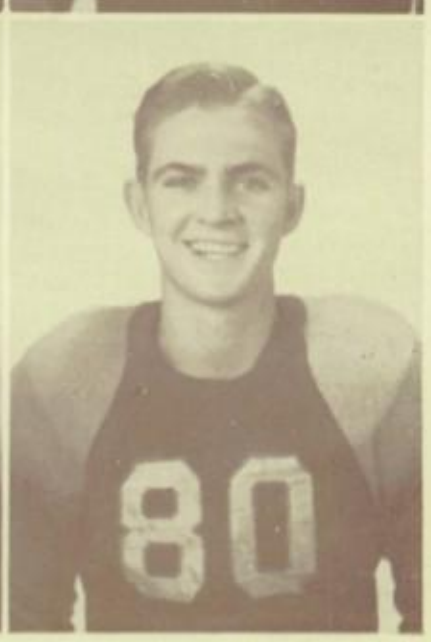
GUARD

While earning his first letter, Bob proved to be a good sport, as well as a good player.

JIM WHITACRE

BACK

Jim did a fine job of running and passing, as well as playing air-tight defensive ball.



FOOTBALL

BILLY JOE MOORE

END

With more experience to go with his ability, "Mole" will be a constant player for the Jackets.

SEASON REVIEW

Practice for the 1941 Stephenville Yellow Jackets began one week before school opened. Almost all of the thirty boys working out were newcomers to the squad and lacked experience and weight. The Jackets were also slowed by injuries and ineligibilities. These were determining factors in the results of the season. These boys were game, however, and, despite several losses, kept up a high spirit and lots of hustle the entire season.

STEPHENVILLE 13✦0 HICO

The Jackets won their first game against a Class A team as a result of a powerful running attack by Higgs, Scott, and Hicks plus a fine grade of football, both offensive and defensive, displayed by the whole team.

STEPHENVILLE 18✦0 DUBLIN

Sparking an offense of alternate running and passing attacks, the Jackets defeated their ancient rivals. The scoring started in the second quarter when Scott plunged over from the one-yard stripe, following a blocked Lion punt. Hicks raced 50 yards through the middle of the Dublin team for a touchdown that was called back, just as the half ended. On the first play of the second half Higgs, on a hide-out play, took a pass from Whitacre and ran 50 yards for a second score. In the last minutes of play Whitacre intercepted a Lion pass and returned it 65 yards to the Jackets' 20. On the next play he tossed a pass to Hicks who went for a touchdown. The Jackets looked good in this game and several players turned in good games.

STEPHENVILLE 0✦39 GOOSE CREEK

Overwhelming power spelled defeat for the Jackets in their first game with an AA opponent. The greatest loss, however, was not the score but the loss of Bluefford Hancock, who suffered a broken leg. The Jackets never quit fighting, and at the end of the game they were trying desperately to score. Practically every player who saw action bore some sign of the battle after the game.

STEPHENVILLE 0✦31 RANGER

The Jackets entered their first conference game greatly handicapped by injuries and ineligible players. The Bulldogs were not any better than the Jackets, but by taking advantage of several lucky breaks they won. All of their touchdowns resulted from intercepted passes or blocked punts.

STEPHENVILLE 0✦60 BRECKENRIDGE

Displaying magnificent power and a revengeful spirit throughout the game, the big Buckaroos rolled over the fighting Jackets. With Scott throwing and Higgs and Hicks on the receiving end, the Jacket passes were a standing threat, although the tight Breckenridge defense prevented any of them from going for a touchdown.

STEPHENVILLE 13✦7 CISCO

This was the only conference game won by the Jackets during the season. Hicks scored first in the third quarter, after taking a pass from Scott and racing 57 yards to the goal line. Scott scored the other touchdown in the fourth period by plunging over from the one-foot stripe. Cisco drove over from the one-yard line in the fourth period for their only score.

STEPHENVILLE 0✦26 DENISON

Playing in a sea of mud, the Jackets made a brilliant second-half comeback, but it was not enough to offset the 26 points scored by the big Denison eleven during the first half.

STEPHENVILLE 14✦40 MINERAL WELLS

The Jackets clutched victory for a few minutes when Whitacre scored in the second quarter, but bowed to a superior team. The Mountaineers' passing and running attack, sparked by McQuarey, was too much for the Jackets.

STEPHENVILLE 13✦20 BROWNWOOD

After playing for three quarters and not scoring, but letting the Lions push over three well-earned touchdowns, the Jackets opened up. First, after Cameron advanced the ball to the two-yard line, Scott plunged over; then, standing on his own ten, Scott tossed a pass to Roberson, who outran the Lions to the goal line.

STEPHENVILLE 32✦7 WEATHERFORD
(B TEAM)

In a sparkling 32-7 game against Weatherford the B Team showed lots of hustle and a good brand of football. Trailing at the half by 7-6 these fighters came back in the last half; and with a steady stream of substitutes to tire the Kangaroo team, they scoréd 26 points. This group promises some good material for future Yellow Jacket teams.

BASKETBALL

Front row: Jim Whitacre, A. V. Roberson, Bill Hicks, J. B. Garrett, Weldon Moody.
Middle row: Quain Parnell, Charles Casstevens, Charles Wood, Billy Joe Morris, Don Watson, Coach Marshall.
Back row: Scotty Scott, W. B. Stevens, Ralph Poteet, Bud Higgs.

The Jackets, determined to get in the best possible shape, began intensive drill immediately after the close of the football season.

With four returning lettermen and several able newcomers, the Jackets engaged Alexander and Dublin before the Christmas holidays and emerged victorious from both contests. During the holidays they bowed to a more experienced Cleburne team. The boys came out on the big end of the score in their next five practice games; three of these were taken when they won the Alexander tournament.

The Jackets started district play at Breckenridge by easily defeating the Buckaroos. After losing one game in the Comanche tournament, they hit their stride and won the next seven games, which included four district teams—Cisco, Ranger, Mineral Wells, and Brownwood. In winning the Gorman tournament, the boys topped Hasse, Gorman, and Dublin. In a determined come-back after a loss to Weatherford, the Jackets won the season thriller—a 22-21 last-minute triumph over Breckenridge.

The Jackets successfully completed the remaining district schedule by defeating Cisco, Mineral Wells, Brownwood, and Ranger. By way of revenge for an earlier defeat, they blasted Weatherford for a sensational 47-23 score.

In the first bi-district game with Waco, on the Stephenville court, the Jackets got a slow start and were never able to catch up. In the second game, at Waco, the boys were no match for the tall, fast Tigers.

Two Jackets, Bill Hicks and Weldon Moody, were chosen on the All-District first team and one, Jim Whitacre, on the second.

"TO THE BLUE AND THE GOLD"

—Grace Chandler Colwick.

Here's a toast to Stephenville High,
We her praises ever sing,
Stand and cheer her name once again;
Loudly may the echoes ring.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The Spirit of the Gold and Blue.

To the Blue—to the Gold—
To our school and its glorious history;
To our faith—to our zeal—
To the days we remember so joyfully.

To the Blue—to the Gold—
May we carry our banner to victory;
To our hopes—to our dreams—
To the world we shall make ours some day.

Here's to all our glorious past,
Here's to our victories won—
Here's to glorious future years,
For our fame has just begun.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The Spirit of the Gold and Blue.

The Student Participation Committee, made up of students chosen from the home rooms, was organized in 1931. Members of the committee must have an average of 85. The purpose of the Student Participation Committee is to bring the students and teachers closer together and to give the students an opportunity to have some part in the supervision of extra-curricular activities.

The Yellow Jacket Staff; a fire chief, A. V. Roberson; song leaders, Mary Frances Holcomb and J. B. Garrett; an accompanist, Margaret Henderlite have been elected by the Student Participation Committee this year. The fire and air raid drills have also been under the direction of this committee. The committee made possible three lyceum numbers. A Social Committee, consisting of Herman Holt, Wanda Cleveland, Martha Boyd, and Charles Rogers, was organized under the auspices of the Student Participation Committee. This group has assisted a faculty committee, made up of Mrs. Murdaugh, Mr. King, and Miss Belew, in arranging the school social calendar.

Starting in October with the idea of having the largest and most complete yearbook in the six-year history of *The Yellow Jacket*, we, the staff, found ourselves considerably handicapped by the high price of materials. Finding the least expensive means of preparing and compiling this annual has been our greatest problem.

Early staff meetings were given over to heated arguments about such questions as how many pages should be allotted to the classes, how the favorites' pictures should be arranged, whether the football boys should have bust or action pictures, what kind of covers we should use, and various other problems equally as important to the production of a successful yearbook. Finally our problems were solved, and we settled down to the real work of publishing an annual; that is, getting pictures, preparing copy for the engravers, canvassing for ads, finding other ways of securing funds, getting copy ready for the printer, and finally reading proof.

Co-operation and hard work through long afternoons and late night hours have made possible the book we are now presenting to you.

The staff wishes to express its appreciation to Miss Eoff and Miss Scrimshire for their untiring patience and their constant guidance of the work of this publication.

In 1938 the C. U. B. S. was organized and was later chartered as a social club at Stephenville High School. The purpose of the C. U. B. In 1939 the M. U. G. S. was organized in Junior High School, with eight charter members. In 1941 the club obtained a charter to become a school organization. In that year it also added four new members, and Miss Lottie Hester consented to be sponsor. The members of the club endeavor to carry out their purpose of making new friends and drawing old ones closer together. During the year the club has had a candlelight tea, a chili supper, a Christmas party, a New Year's theater party, a Valentine party, and numerous picnics and hikes.

On September 15, 1939 a group of energetic, fun-loving boys desiring to contribute to the athletic, social, and scholastic activities of Stephenville High School got together to organize a club. In the three years of the club's existence the boys have tried to bring a closer contact between the teachers and the students, to help the students enjoy school and school activities, and to promote athletic, social, and scholastic activities. The club chose Mr. Eli Rushing as sponsor, and on November 18, 1941 was chartered as a school club.

The purpose of the band is to develop an interest in and an appreciation of music. The gold and blue uniforms of the band have been conspicuous at all football games and other school functions. The loyalty and enthusiasm of this group are shown by its unfailing response to any call of duty. Each year two programs are presented in assembly by the band.

The group has had part in several public programs, including the dedication of the American Legion Hall.

When she returned home, Mr. Jones said he had had trouble putting the red-headed one to bed and had spanked her. Mrs. Jones horrified said, "Why, Collin, that was the neighbor's kid."

Compliments of

Two men Stone and Wood were standing at a street corner. A pretty girl walked by. Wood turned to Stone, and Stone turned to Wood. Their necks turned to rubber, and the girl turned into a hat shop.

Billy Glenn: "I had my nose broken in two places."
Gene Cowan: "Well, you oughta' stay out of those places!"

Mr. Oliver: "How's the team coming?"
Mr. Marshall: "Like counterfeit money—the halves are full of lead, and the quarters can't pass.

A hundred years ago to-day
A wilderness was here;
A man with powder in his gun
Went forth to hunt a deer,
But now the times have changed somewhat—
Along a different plan—
A dear with powder on her nose
Goes forth to hunt a man.

Bod: Between you and me, what do you think of my girl?

Joe Day: Between you and me, not so good, but alone——oh boy!

Mildred H: Edwin Lee is the only boy who ever kissed me.

Tommye Jo: Are you bragging or complaining?

Billy Joe A: Your girl is spoiled isn't she?

Joe Dacus: No. it's just the perfume she's wearing.

Morgan G: What color is Mary Jo Stockton's hair?

Calvin M: I'm not sure. She's down at the beauty parlor now.

Mr. Marshall: Dudley, I hear that you studied your lessons yesterday.

Dudley: Yes, Coach.

Mr. Marshall: Well, I'll let it pass this time, but it looks as if you're neglecting your football.

Manager to whom Truman was applying for a position: Is there anything you can do better than anything else?

Truman K: Yes, sir, I can read my own writing.

As the Soph Sees It—

Twinkle, twinkle, little star,
How I wonder what you are,
Up above the world so high
Like a diamond in the sky.

But as the Senior Sees It—

Scintillate, scintillate, luminous constellation,
Interrogatively I question your constituet elements,
In your prodigious altitude, above the terrestial sphere.
Similar to carboaceous isometic octahedral in the celestial firmament.

Billy B: Will the staff please be quiet! I haven't heard a word I've said since I called the meeting to order.

Casey: That's all right. You're not missing much.

Bill Hicks: I want to join the army. I'm a track athlete.

Sergeant: Sorry. We don't want anybody who's trained to start running when a gun is fired.
